

Hotels, Clubs & Caterers

Each and every year, Mobile Kitchens does many projects for the retail hospitality industries, including:

- International hotel chains
- Hotels & Pubs
- Licensed sporting clubs
- Private hotels & hostels
- National & international catering companies
- Pop up restaurants

Our wide range of modules & services ensure a complete range options to ensure smooth operations and minimal disruption, items such as:

- 6m & 12m hot line kitchens
- 6m & 12m warewashing modules (including rack conveyer dishwashers)
- 6m prep modules (which easily attach to our hot line kitchens)
- Cold & freezer room modules
- Hundreds of items of catering equipment, giving cooking equipment flexibility
- 24/7 service support

Some of our recent projects include:

- Licensed sporting club, Ipswich Jets, recently utilised our 12m kitchen during their main kitchen renovation to serve up to 500 meals per day
- International hotel chain Novotel, utilised 2 x 6m modules during a kitchen renovation and upgrade
- Sydney based caterer setting up a pop up restaurant during the Sydney Festival
- Sydney based hotel group using our 12m kitchen during major renovations
- Melbourne based Golf Club purchased a kitchen to use during renovations, after project completion the kitchen was then moved between the 9th & 10th tee for on course food service
